It's with a saddened and heavily burdened heart that I must announce Mom passed away yesterday morning in a Raleigh County facility after suffering from an unknown ailment. Pamela Jo Atkins was born on March 25, 1956. She was a volunteer paramedic for Kanawha County in the early 80s, a school bus driver in Tennessee, a beautician in St. Albans, and worked for quite some time as an LPN in Putnam County. Mom was the best. She always did her best to provide for my brother, Charles David Niday II, and I. Life was hard for Mom, for us boys, but she made the most of what we had and did her best by us. I love my mother, and she is severely sorely missed. I know my mother is in Heaven with all my other family that I miss so much. I love you, Mom!!! Mom had only two sons, my older brother Chip Niday and myself. Mom's family consisted of myself, my children Nick, Avery & Naomi Niday. My brother and his children. Fred & Donetta. Brandon whom she absolutely adored. And two younger brothers, Jack and John, all of whom Mom loved so very much and always spoke so kindly of them. She thought the world of them and would tell funny tales of times past. Services will be held at a later date due to current hardships.

Thank you for taking the time to read a little about my mama, I love her and miss her. God Bless.
